

Engg Exam S 2020 Details as per the SGBAU Circular Dated 11 May 2020

1. Only final semester (Regular) examination will be conducted along with their backlog of semester V, VI and VII.
2. Final semester (Regular) examination will be based on (2/3)rd syllabus and paper duration will be 2 Hours only. [SGBAU]
Syllabus for backlog subjects will be 100 % but paper will be of 50 % marks and 2 Hours duration. Then marks obtained will be converted to 100 % and send to SGBAU by institute [Question paper setting is not decided yet]
3. Practical Exam of final semester and backlog subjects will be conducted by Internal & External examiners of same institute. If student could not attend due to COVID 19 then practical exam will be conducted online.
4. Semester II, IV and VI Theory / Practical Exam will not be conducted (for Regular students). The result of these students will be prepared by SGBAU based on 50 % Internal & 50 % of previous semester result.
5. For backlog subjects of remaining student i.e. of semester II, IV and VI will be conducted in next 4 month period based on exam form filled in S 2020.
Those, who have not filled exam form, can fill exam form before 2 months of commencement of exam. Their examination will be conducted in December 2020.
6. After declaration of result, if students want to improve grade, can do so by applying for Winter 2020
7. If remaining exam form of S-2020 can be filled as directed by SGBAU.
